

Happy New Year! We welcome 2024! We are so excited to see what your child does this year! Just a few reminders, please make sure that your child has a standard crib sheet, a child size blanket, as well as two outfits. All these items need to be able to fit and zip inside your child's backpack. We go outside twice a day for an hour, please be sure that your child has a winter jacket, mitten, and/or a hat.
