

Room 8 March News 2023

Last month we talked about Opposites, Valentines, Feelings and Dental Health. In March we will talk about Dr. Seuss, St. Patrick's Day, Spring, Bugs and Butterflies. If you have any books or items that would contribute to our themes, we would love to use them in class!

We are so close to having everyone potty trained. We only have two friends left and they are so close. Last year we started a tradition of having a potty party once everyone is fully potty trained. We wanted to put it out there now so families had time to plan what they'd like to bring. We would love to have a few potty themed snacks and some decorations. Last year families wowed us with the cool ideas they came up with. As always donations are optional but always so appreciated!!!

In the month of March we love to pretend the leprechaun has visited our classroom. He likes to leave footprints around our room, turn our milk green and make messes all when we are not looking! On Saint Patrick's Day he leaves us chocolate coins to find!

Sunscreen: Please note that sunscreen is **NOT** a requirement! If we have sunscreen for a child we are required by law to apply it. Even when they're bundled up in the winter etc. Use your best judgment in choosing whether or not and when to bring in sunscreen. Many times during the hottest parts of the summer we can only be out for 15-30 minutes due to ozone codes. If your child needs sunscreen we do request the spray kind as they are easier to apply. We only apply sunscreen in the afternoon. Sunscreen forms are required and available upon request.
Thank You!

The weather has been unpredictable! Please be sure your child has a variety of back up clothes in their bag. Please include long and short sleeved shirts and at least a light weight jacket.
