

# Room 10 August 2020 Newsletter

We are extremely excited to share this year with you and your family! We will spend time this month getting into a new routine and getting to know each other. We will explore our new classroom, ourselves, family, pets, shapes, colors and the five senses. Our class will be working on the following sounds of O, M, U, B and K.

## This month we will be learning about:

Week 1: This Way to Pre-K/Transportation Letter O

Week 2: All About Me/ Letter M

Week 3: My Family & Pets/ Letter U

Week 4: My Body & 5 Senses/ Letter B

Week 5: Colors & Shapes/ K

We will be writing our names every morning starting the second week. Names will be written in our notebooks and should be done after washing hands. This will give an instant activity for children to jump into when they enter the classroom. Please help your child every week to bring in words that start with the letter of the week no more than 3 words a week.

## Mark your Calendar

Wednesday- is our Book Day (but...books are welcome any day of the week)

Friday - Show-n-tell day (Letter or theme related items only please)
