## Room 11

### Ms. Cindy & Ms. Virginia

Where did September go? We had a short month due to quarantine. When we returned, we talked about Autumn, Pumpkins, & Apples. We also talked about Fire Safety. We have started Handwriting Without Tears.

This month will be exciting.

We will start using scissors and continue handwriting. We are excited about the Individual Fall Pictures (not class), and most of all Trunk or Treat.

If you have any questions or concerns, please contact us.

Thank you! Ms. Cindy & Ms. Virginia
