New Friends This Month: Penelope and Hudson

Fall is approaching us, and it's going to be time for a wardrobe change in Room 3 and 4!

As the temperature drops, and being outdoors becomes more bearable for our small friends, we will be spending more time outside. Anywhere from sitting outside in our playground area, or going for a walk in the strollers, we look forward to spending time outside of these four walls! As we make this transition, it is best that you bring your child in layered clothing, or have a light jacket handy that you can leave in their car seat, or cubby.

We also recommend that you start switching out their spare clothes in the diaper changing cubby in exchange for fall clothes little by little as the weather changes.

Don't Forget!

Bring 2-4 Family Photos if you have not already!
