

## St. Patrick's Day

## Room 4's March Newsletter

Mrs. Irma and Ms. April

February was a fun month. We worked on our Valentine's projects, and talked about friendships and love.

This month we plan to work on more art. We would like to focus on working on our fine motor skills a bit more. We plan to do some finger and foot art work...so please excuse us if your little one goes home with some paint on them. (We will try to keep them as clean as possible :)

We will also be reading Dr. Seuss books and enjoying the nice weather outside.

### Happy 1<sup>st</sup> Birthday!

**Nora 3-13-17**

**Zoey 3-14-17**

**Kate 3-16-17**

### Important

- Remember to wash your child's hands everyday, upon arrival.
- Please remember to check tadpoles every day, as it is a great communication source.

We are excited to say that the whole class is officially trying table foods.

We are all able to stand up and some of us are even starting to get curious to take those first steps.

We can wave hello and goodbye and some of us are even starting to blow kisses. We are growing up so fast!
