

Room 5 Newsletter

Happy New Year!!! Room 5 is becoming closer to potty training. Many of you have already started and we are doing great! Our key to success is working together.

This month we will focus on many sensory and science activities that may require a change of clothes. I will certainly let you know ahead of time about those activities so that you and I are prepared.

We will continue on our journey through language development by adding some new vocabulary like months of the year and "in" and "out". Also be on the lookout for some new sign language as well as Spanish songs that we will learn during our circle time.

As always, please feel free to contact me with any concerns or questions.

Dates to remember:
