

# September Happenings Room 6

Our school year is off to a great start. The children and teachers are having a wonderful time getting to know each other. The new classroom is fun to explore with old friends and new. We are trying to encourage independence one step at a time. The children are reminded to clean up after themselves whether it be toys or their plate at the table. Many times it is easier to do things for them but they are quite capable and it gives them such a sense of accomplishment. Little things become big things. We are also requesting that the children use their words. We do not always know what the noises or cries mean, but words, yes. We tell them to let their friends know how they are feeling with words.

Mark Your Calender:

Labor Day is Sept. 7

JPLC is closed

## A Few Reminders:

Backpacks need to be free of ointments, cups & food at all times to meet Sanitation Regulations.

Please do not put the extra clothes in plastic bags in the backpack. We have to dispose of the bags when we check the backpacks.

We are trying to get pictures out to you on a daily basis. Some days it is a little easier than others. Please bear with us Do not hesitate to e-mail us with any concerns or thoughts.
