

September Newsletter

Room 6 is off to a great start. We have been observing and enjoying each child in our care. During the month of September, we will be continuing assessments on each child to see what areas of development need attention. This month we will do lots of listening to stories during circle time to enhance listening skills. If you have any questions, please don't hesitate to call. We are here to help! Our color for the month is "Brown" and our shape of the month is a "circle". As we continue to enhance our fine motor skills, we will make sure to send you lots of pictures throughout the day so you can feel a part of our day!

Themes for this month:
