

hello   
**AUGUST**

We cannot believe it is our last month together. We have loved our year with your child and are so excited to watch them continue to grow in their next classrooms.

We will celebrate our last day together by having a Luau/Move up party on Friday 8/18 @ 2:45. There will be a sign-up genius for needed party supplies. We have a Luau and learn the word aloha because it means hello and goodbye. We just tell our class every year that just because you move up doesn't mean you can't stop by and say hey.

**Birthdays:**  
**Leeam: 8/5**
