

October 2020 Newsletter

Room 8

Dear Parents,

We sure have been busy this past month. We have been practicing how to hold a pencil, practice strokes, and how to hold the paper with the other hand while writing. Also, how to hold scissors the correct way while cutting. We studied parts of an apple. We talked about pumpkins and how they grow.

Don't forget to check Tadpoles for important information. If you have any questions or concerns, call or email us. Thank you.

Happy birthday to Sadie on October 5. Hope you have a great day.

October Themes:

5-9 Fire Safety/F

12-16 Community Helpers/E

19-23 Construction/H

26-30 Halloween & Imagination

“Play is not a break from learning. It is endless, delightful, deep, engaging, practical learning. It's the doorway into the child's heart!”

Vince Gowmon
