Room 8 Ms. Cindy & Ms. Virginia

Hi, Room 8 parents. We can't believe that one month has already flown by. We have been getting to know each other and learning how to use our manners. We are practicing on strokes, so we can perfect our writing skills.

Also, we will be learning how to form letters and use scissors. This involves hand eye coordination, fine motor skills, and a lot of concentration. We are practicing cleaning the center when you are done playing. The children are using their social skills while they are playing.

These skills should become evident in your home environment. We hope you will see the progress in the coming months. If you have any questions or concerns please contact us.

Thank you, Ms. Cindy & Ms. Beasley
