

# ROOM 9

Dear Parents:

We had a great start to the year. Our pre-kindergartners are eager to learn! This month we have enjoyed getting to know each other, and learning our class rules & routines. We have focused on learning letters & sounds, numbers, and writing our names correctly (first letter capital and the rest of the name lowercase letters). Also, we are reinforcing good character traits, manners, and developing good social/emotional skills that will help the children interact with confidence, and use positive expression in handling conflicts in any environment.

We would like to encourage parents to read to your child every night and let your child see you point to the words. This will help them recognize everyday words as we've slowly started introducing sight words. Ms. Alicia and I are working hard to enhance the children's fine motor skills/hand-wrist strength (press down). This will help the children with control, and applying pressure when writing. We are asking parents to assist us in this area. Please allow children to only use pencils when writing!

**Practice! Practice! Practice!**

## Share Day!

On Fridays we will have show-and-tell. The children can bring in 1 item to share pertaining to theme or letter of the week (must fit in book bags).

**PLEASE** do not allow children to bring in any toys during the week except for a small animal/baby to sleep with if needed

## Important Dates

9/7 Labor Day -CLOSED

9/17- PJ/ Game Day

9/18- Down on the Farm  
Breakfast Day  
( We will be cooking  
breakfast for lunch...  
yum!)

We would like to thank all the parents for all of the donations/support during August.

**WE ARE SO READY FOR FALL & (maybe) FOOTBALL!!!**

**Ms. Pam & Ms. Alicia**
