

Room 12 - March Newsletter

We would like to thank all our wonderful parents for the sweets and treats for Valentine's Day! Our class had a great time exchanging cards and enjoying ice cream with yummy toppings!

Thank you to all our wonderful special readers too! The children love when you come in and read us a special book. Please extend the invitation to grandparents, we would love to have them in to read to us as well.

We are looking forward to Spring and the changes the nice weather will bring! We will begin learning about different habitats such as the pond, eggs and birds, rainbows, and flowers and gardens. We will have fun with the Luck O' the Irish for St. Patrick's Day and have a silly time reading Dr. Seuss.

Dates to remember:

Friday March 17th-St Patrick's Day Party

Tuesday March 21st World Down Syndrome Day-wear your craziest socks!

Note From the teachers:

We are so proud of the children; they have been learning so much. We have been practicing name and letter recognition, number recognition and counting, scissor and pre-writing skills, and lots of self-help skills.

Please continue to point out and name letters and numbers at home. Have the children count objects to 10. Have your child practice holding a crayon or marker with the correct pincer grip when coloring. Offer a variety of writing utensils such as marker, crayons, and pencils!

Thank You!

Sheryl and Nicky
