

Room 11 February News

Last month in room 11 we talked about Arctic Animals, Snow and Snowmen, and Winter Weather. We are starting to REALLY concentrate on letter recognition and early writing skills. We introduced the cutting table to hone our fine motor skills and practiced cutting paper with scissors. In our class we concentrate on strengthening the motor skills necessary for writing. We are continuing to work on name recognition. We have flash cards for circle and several of our friends can already pick out their names. As we put your child's name on their art each day, we have them look at and say each letter, We also encourage them to trace the letters with their fingers.

We are still working on cleaning up our own messes in centers. Several of our friends require a teacher standing in their center helping them to clean up. Please practice this at home and talk to your child about the importance of helping out!

Room 11 will be exchanging Valentines on Thursday, February 14th in the morning. If you would like your child to participate, please decorate a box at home and bring it along with your Valentines by February 14th. More instructions to come!

Birthdays

2/16 Virginia

2/22 Cason

2/28 Hadleigh

Upcoming Events

Thursday 2/14 3:00

Valentine's Day cookie decorating Party! Come decorate cookies with your child to celebrate our friendship and love for each other!

2/18-2/22 Scholastic Book Fair (A portion of each purchase comes back to the classroom for us to purchase books for the classroom. We also put out a class wish list if you are willing and able to donate books to our room.)

FYI Our Easter Egg Hunt is scheduled for April 18th @ 2:45. Please be early as it only takes about a minute for them to pick up all the eggs, and it's adorable! We have to stay on schedule because there are classrooms hunting before and after us!
