

HELLO September

We are stepping into September ready for adventure here in Room Two! It has been such an honor and privilege to learn and grow with your child. August brought a lot of transitions and we want to thank you for your flexibility, understanding, and communication; these are all aspects to ensure each and every child's needs are met. This month we will be illustrating a lot of hands-on, free play, continuation of sign language, such as, more, please, and all done, and developmental concept activities.

Birthdays:

- o **Austin:** Wednesday, September 1st

Reminders:

- o As we continue learning how to walk, we encourage your child to have hard bottom shoes.
- o As we continue getting off bottles, allowing cold food from home, and bringing milk in our own sippy cups this will help in the removal of our refrigerator.
- o Communication between the parents and the teachers is a key aspect in making sure each and every child receives the best care he/she needs.
