

What's Happening:

DEAR ROOM 2 FAMILIES:

February is filled with many new and exciting challenges that we cannot wait to share with you. The children are progressing in all areas of development and we want to continue to give them the tools they need to expand their learning experiences and knowledge.

With so many activities planned, we ask that you send your child to school ready to learn and explore the world around them. We will be creating with different art materials and moving our bodies in many ways as we explore different yoga poses.
