Room 3 and 4

Our friends are very busy in room 3 and 4!

In Room 3 our infants are trying table foods, crawling, and pulling up with some trying to catch up 😊

Room 4 has a room full of walkers, cruisers, and talkers! They are all growing fast and always excited and ready to learn something new.

We look forward to hitting more milestones this month and learning new words and songs. With the weather changing and the sun coming out we are excited to go outside more often.

*WEAR GREEN FRIDAY MARCH 15th !
3/27/19 – HAPPY 1ST BIRTHDAY CARTER WILLIS!!!

**SANITATION LAW REQUIRES
EVERYONE TO WASH THEIR HANDS
UPON ENTERING THE CLASSROOM!**

With the weather soon to change, we ask that each child comes with a jacket so that we can have some fun outdoors!!!
