

## What's happening in December!

Room 5 is doing amazing things during the month of December. We have planned activities that will be challenging your child in every area of development. We will also be exploring a lot of sensory this month as we create some amazing art pieces. Please remember to send your child to school each day ready to play!

We will begin to build some language development as we introduce opposites such as "over, under, big, small, in and out". During music and movement we will be adding yoga poses, such as "The Bear" and "Bunny" to our lessons.

On top of these amazing activities, we plan to incorporate ways for you to be a part of our classroom. We will have zoom meetings for you to join during special activities taking places, as well as videos we will be sending out, so please stay tuned for more information.
