

# February Newsletter

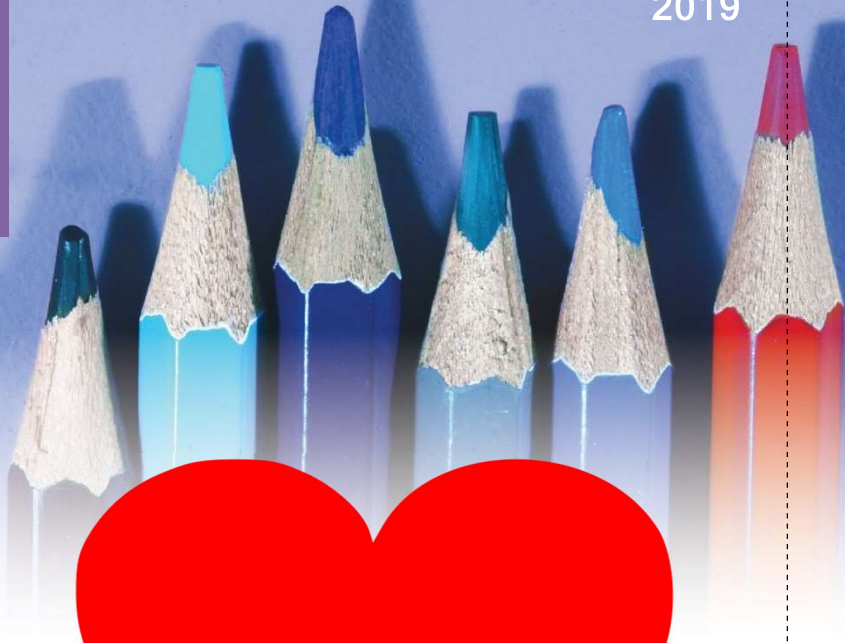

## DEAR ROOM 5 FAMILIES

Happy Valentine's Day! We are working this month on our shapes and we will continue to work on our colors and counting 1-10. We have started working on expressing if we are wet or have a BM. This will help us to start introducing the potty.

Please continue to check Tadpoles daily for your child's needs and any updates happening in the classroom or at JPLC.

Parents, thank you so much for allowing your child to walk into the classroom each morning so we can begin our day. As we are working on being independent, this simple step is making a huge difference.

Our Valentines Party will be Feb. 14<sup>th</sup> at 2:45 (see our sign-up sheet for our Ice Cream Social).

If you would like to bring in Valentine's, we have 12 children. Since the children will be helping, please leave the outside blank.

Happy Birthday  
Haley Feb. 6<sup>th</sup>
