

> Happy New Year! We welcome 2023 and we are so excited to see what this year has in store for us and your little one. Last month we wrapped up everything for the Holiday. We enjoyed making all kinds of crafts and gifts for you. This month we are working on Healthy Living, Winter Wonderland, Weather, Musical Instruments and Groundhog/Opposites! We are expanding our self-help skills by throwing away our own trash, washing our hands independently and even using the bathroom.

> Parents, please make sure your child comes to school with a jacket. We go outside in the morning from 9am-10am. Sometimes the wind can make it feel much cooler than it actually is. Just a friendly reminder, please make sure your child has a clean sheet, and blanket as well as extra clothes in their backpack. Especially if your child is potty training, extra shoes, socks, pants, underwear and shirts will be very helpful.
