

APRIL.

Happy April! We are so excited to be in full swing of Spring! Last month we enjoyed learning about Dr. Seuss, Our Feelings, St. Patrick's Day, Spring, and Bugs and Butterflies. This month we have so many things to look forward to learning about like Gardening, Week of the Young Child/Easter, Earth Day and Pete the Cat. We are so excited to see warm weather upon us, but we do ask that your child wear comfortable shoes. Sometimes, flip flops, sandals, and other open toed shoes can cause tripping hazards. Parents, please make sure your child's backpack has 2-3 sets of clothes in it, that he/she has a child size blanket and a standard crib sheet. We must make sure that all their items fit in their backpacks and can be zipped up. Thank you so much for helping us out with this matter. We can't wait to see what this month brings us!

<3 Ellen & Trisha
