

Room 8 January News:

Our themes in January include Healthy Living, Winter Wonderland, Weather, Arctic Animals and Groundhog/Shadow/Opposites. We will make fake snow and talk about all the wonderful things a new year brings. On a personal note Ms. Kimberly, Ms. Sam and I are very appreciative of all the love and support this Christmas season. We are so appreciative of your outpouring of love both through Christmas gifts and your kind words during such a difficult time for us. Laurie layed a wonderful foundation full of love and trust here and we will carry her vision on with all our hearts.
