

R9 February 2019

Dear Parents,
 Last month we had fun learning about Winter Wonderland, MLK, Groundhogs, Hibernation and Transportation. Our focus points for last month were writing, counting by 10's, and new sight words. Also, we started teaching the children their home addresses and introduced the 50 States. This month we will continue working with the children in small groups; focusing on word recognition, writing, identifying money, and word families. Some of the lessons the children will be learning about in February are Chinese New Year, Presidents, African American History/ Inventors and Money. The children will be earning money for good deeds to spend at our store at the end of the month when we have our Dr. Seuss Celebration.

Valentine's Day Party
 We will have a Valentine's Day party on Feb.14th @ 2:45. Each child will need to bring a decorated shoe box or gift bag for their Valentine cards by Feb.13th. We will have a small party for the children. A sign-up sheet will be posted for items.

- February Themes
- Chinese New Year
 - Historical Figures/Tolerance
 - Valentines/ Love
 - Presidents
 - Dr. Seuss

- Feb.1st Superbowl Party
- Feb.8th- In House Field Trip- Chinese Lunch
- 2/14 Valentine's Party @2:45
- 2/15- PJ Day/ Electronics day Educational games only
- 2/19-2/23 Scholastic Book Fair
- 2/21-2/22 President Projects due.

On February 21-22, the children will need to bring in a picture, 3 to 5 facts (printed) about the President identified above their hook. The children will present their information to the class sometime during the week of February 18-22 . Parents, please assist the children in researching and remembering as much as they can about their President.

- Suggestions:
- What they were known for during their term
 - Monuments/ items named after them or in their honor
 - Military Honors
 - Family
 - Favorites
 - Likes/Dislikes
 - Fun Facts
 - They can bring in items to assist with their presentation.

*Parents please remember that each child has different strengths and weaknesses. That's why we created the small groups to better focus on each individual child's needs. We focus on the skills that each child needs to develop. Thank you for all of your help and support through out the school year!!
