

R10 November 2018 Newsletter

November is here and the holidays are right around the corner. The leaves are changing, and so are your children. October was filled with amazing growth and development and we are very excited about the changes we are seeing in each and every child.

Last month we had a very successful field trip, thanks to parent participation. We worked on fine motor skills and sounds. This month we will begin working more with numbers. Knowing our numbers is an area that our class needs to strengthen, so will be working on numbers and recognition of numbers a lot in the coming months.

This month we will be learning all about:

Week 1: Farmer's Market Fruit/ Letter W/Sharing

Week 2: Farmer's Market Vegetables/ Letter R

Week 3: Thanksgiving/ Compassion/Review

Week 4: Decorating for the Holidays/ Letter Y

Update

- We have decided to incorporate a weekly Character Trait every two weeks in our lesson plans. We are hoping to teach the children some social skills using our feelings and emotions.

Thanks for all your support and donations.

All Children should have an extra set of clothes for the cold weather.

In the month of December we will not be doing Show n Tell, please refrain from bringing outside toys into the classroom.

Special Note: Be on the look-out for our Christmas Workshop material this month.

Dates to Remember
