

> Welcome September! This month we will be doing a lot of art and science experiments, we will be getting messy, please dress accordingly.

> Please try to have our child at school by 9am daily. We want to make sure every child's educational goal is met and don't want him/her missing out on so many fun activities. Thank you!

> Reminder, Backpacks go home EVERY Friday and come back Monday, with a clean sheet and clean blanket. Also, please remember to label all your child's items upon arrival.

> **JPLC will be closed on Monday September 6, 2021 for Labor Day**

> As always, if you have any questions or concerns please feel free to leave a message in ProCare or call.

> We are looking forward to another great month with you and your child 😊
