

November

November is here and fall is upon us! This month the themes we will be covering here in Room Five are Weather, Owls, Things November Brings, and Thanksgiving. This month's color will be Brown, the shape will be a Triangle, and our monthly goal will be to continue practicing soft hands with friends as well as to continue working on enhancing our developmental skills. Fall and Winter are Ms. April's favorite seasons and we are so excited to do hands-on activities, explore, and learn new things!
