CLOSED - 9/2/24

OUR LEARNING *focus...*

Can you believe that it's fall? Please make sure that your child has at least 2-3 sets of weather appropriate clothing in their book bag. As the weather starts to change please pack a jacket as needed. Please keep us in mind when you pack your child's jacket as there are at least 11 kiddos that need our help in our class. Please begin to start introducing plates, bowls, and eating utensils at home with your child.

Reminders

We are starting to use our open cups and spoons. Please work with your child at home with this task.
